GASTRONOMIC EXPERIENCE

West Manggarai's Way Culinary Experience

A hands-on farm experience exploring regenerative farming and our connection to food, nature, and the planet.

58 *is the average age of farmers worldwide. Engaging and encouraging young farmers is a key challenge to ensure our food security.*

HIGHLIGHTS

Half Day

9:00AM - 1:30PM

Dapur Tara Flores

IMPACTS OF THIS EXPERIENCE

This is a communal cooking experience. You cook side by side with other guests, inside a real working kitchen, using firewood, simple tools, and the same process that is used every day here.

- **Personal** – Learn the value of healthy soil, natural food, and sustainable farming.
- **Environmental** – Make compost, grow seedlings, and start your own food garden.
- **Economical** – Support young and old flores farmers working together for healthier lives and ecosystems.

750,000 IDR per person

Minimum 2 pax, maximum 30

Price includes *rice farmer conical hat, West Manggarai snacks and lunch, and English speaking facilitator.*

Seats are limited *Contact Herdi at +62 811 3424 73*
